SCHOLARSHIP
PROGRAM

63
CHILDREN
ENROLLED IN
SANGAT
MAHAVIDYALA

Kutumb, with Vision Builders' support, has continued education for children in the Arts through the Sangat Mahavidyalay (affiliated with the Prayag Sangat Samiti) in addition to attendance at local government schools. Children learn Classical Vocal music, Tabla, Harmonium, Sitar, Guitar, Kathak and Theater. The enrollment grew to 63 students. In the past year, 41 workshops & performances were staged. Five of the high school graduates are in college.

3154 PEOPLE
REACHED BY
CLINIC ON WHEELS

637 WOMEN RECEIVED
VOCATIONAL TRAINING

Kutumb continues to empower women in surrounding communities by providing literacy and vocational training, in sewing, beauty courses and handicrafts. 117 are enrolled at Kutumb sites and the rest at community centers.

Kutumb launched Clinic on Wheels in 2023 with the aim to address the healthcare challenges faced by isolated rural and urban slum communities, Clinic on Wheels delivers essential medical services, free medicines, and health education to these communities. In the last year they held 97 camps in 4 locations near Varanasi

100 SUCCESSFULLY
ENTERED IN GOV'T
SCHOOLS

NIPUN, has continued to provide hot, nutritious meals to the children enrolled at education centers in the slums of Meera Bagh and Kapashera in New Delhi.

Vision Builders has also supported NIPUN by supplementing the salaries for teachers for Pre-school, non-formal and remedial education at these locations.

After being brought up to the appropriate ability level, 100 children have entered local government schools.

672 YOUTH ENGAGED WITH VOCATIONAL TRAINING
(PROJECTS UMANG & UMANG II)

Nipun's Project Umang provides vocational training to underprivileged youth in Nihal Vihar (in West Delhi). Classes include Basic Computer Skills, Dress Design, Beauty Parlor, and Accounting. The trainings include Spoken English education and job exposure visits at BPOs, Spas, Beauty Parlors, Chartered Acctg. firms, Retail Stores, NGOs & Schools.

The Accounting course with Tally Software trained 110 students in its third year.

This year, Project Umang II was inaugurated in Kapashera (S. Delhi), with classes in Basic Computer, Beauty & Wellness, and Self-Employed Tailoring.

Dear All,

Vision Builders would like to thank all of you for your support to help the children and people in these communities.

We are also on the look-out for opportunities to help children in communities in other parts of the world, especially in Africa. Please share any ideas.

Please reach out to us if you would like to get involved, or learn more!

Sincerely,

Smita Abbi
